STAND, MB-910

Fagor stands are designed to be used as a support for cooking top elements: open burners, induction, fry-tops, bain marie and neutral elements.

They are suitable to store pots and utensils used at the working top.

They have a solid structure of AISI-304 stainless steel.

Hygienic easy to clean double walled neutral base.

Quick fit as a support for half module or one module elements from the 900 Kore range.

They can be used as open storage elements.

Ready to install doors and turn it into a closed sideboard.
